POSTCARD FROM FIELDER

WITH GLENN GANGES

I HOPE YOU ARE WELL, IT'S BEEN SO LONG! NEITHER YOU OR I ARE GETTING YOUNGER! BEFORE I RAMBLE ON ANY FURTHER I WANT TO SAY THANKS AND FOR THE GIFTS AND YOUR KINDNESS DURING THIS YEAR.

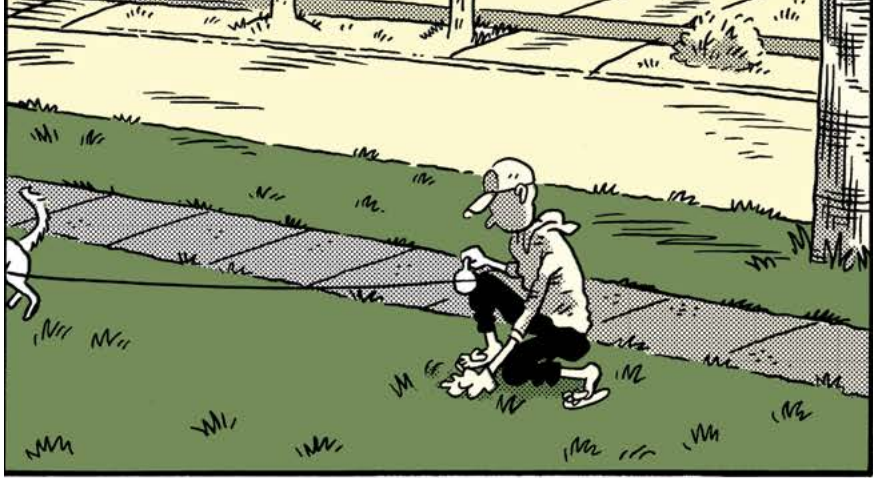

I HOPE TO SEE YOU AGAIN AFTER THE PLAGUE DIES DOWN, MY LAST CHEMO WAS ON THE DAY TRUMP LEFT THE WHITE HOUSE. BY THE END OF 2020 IT FELT LIKE MY PERSONALITY HAD SHRUNK DOWN TO CHECKING THE NEWS ON MY PHONE

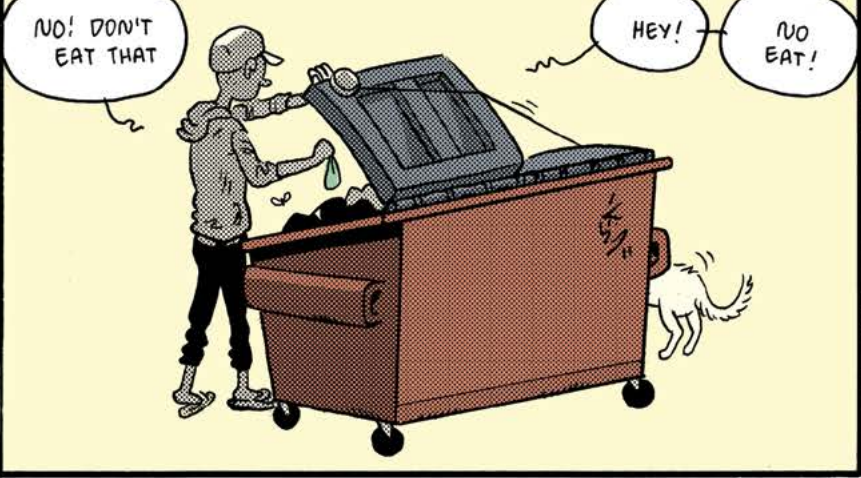

AND A FEW OTHER REPETITIVE TASKS. PHEW, BUT I GOT MY SECOND SHOT LAST WEEK (PFIZER) AND AM CLEAR OF CANCER ACCORDING TO THE SCANS. I'M FILLED WITH GRATITUDE AND HAVE BEEN WRITING POSTCARDS TO EVERYONE.

I WRITE THEM IN THE MORNING AFTER WALKING MY NEIGHBOR'S DOG. IT'S NICE, THE COOL MORNING AIR ...

HE IS VERY OLD, NO KIDS, SPOUSE DIED, AND HE RECENTLY FELL, SO I'VE BEEN WALKING THE DOG IN THE MORNINGS.

AFTER A SHORT WALK I DROP OFF THE DOG AND HAVE BREAKFAST WITH WENDY, AND THEN I WRITE THEM AND SIP COFFEE...

AFTER ALL THE CHEMO AND SURGERIES I CAN'T DRINK MUCH, BUT A LITTLE COFFEE IS OK, SAID THE MERCIFUL DOCTORS.

WENDY IS DOING WELL, SHE SAYS HELLO.

HELLO

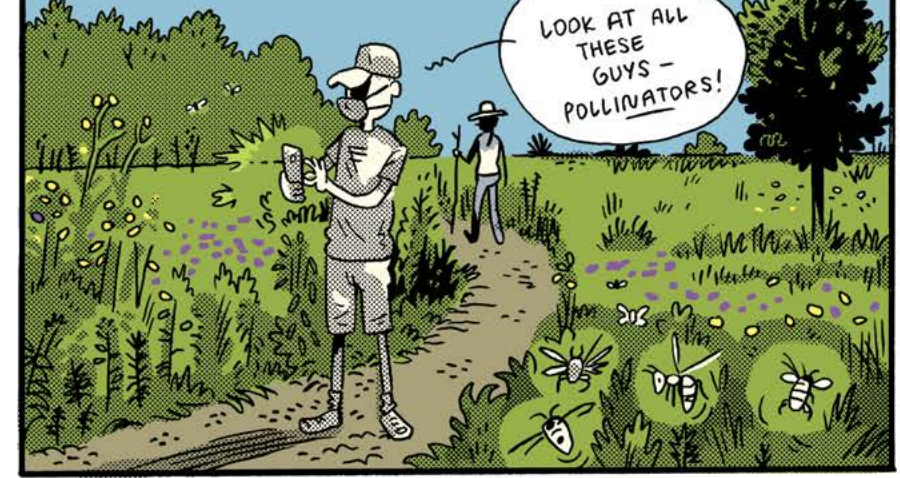

SHE BOUGHT AN OLD REFURBISHED PHOTOCOPIER.

I LOVE IT

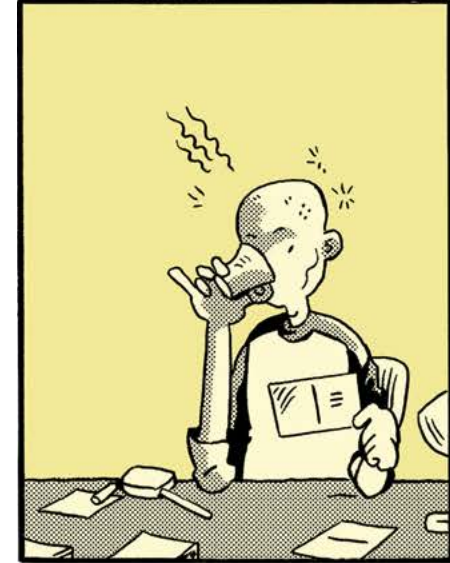

(THIS IS HOW CARTOONISTS HAVE MID-LIFE CRISES THESE DAYS.)

SO I MADE SOME CUSTOM POSTCARDS WITH IT.

THIS PIC IS OF THE MEADOW PRAIRIE. THE DOC SAID "WALK!" SO WE WENT THERE EVERYDAY I COULD HANDLE IT.

IT'S ONE OF MY FAVORITE SPOTS, NEAR THE WABASH RIVER,

This was supposed to be a Holiday card...

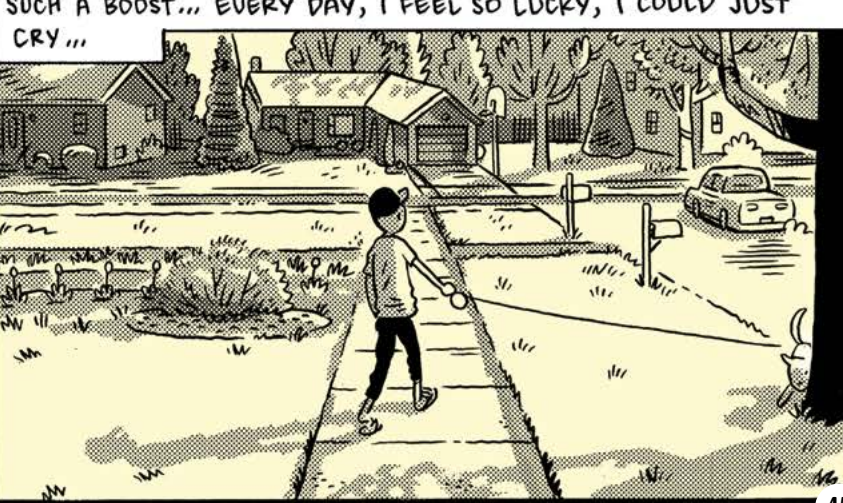

but I'll just say, uh, - HAPPY JUNE!

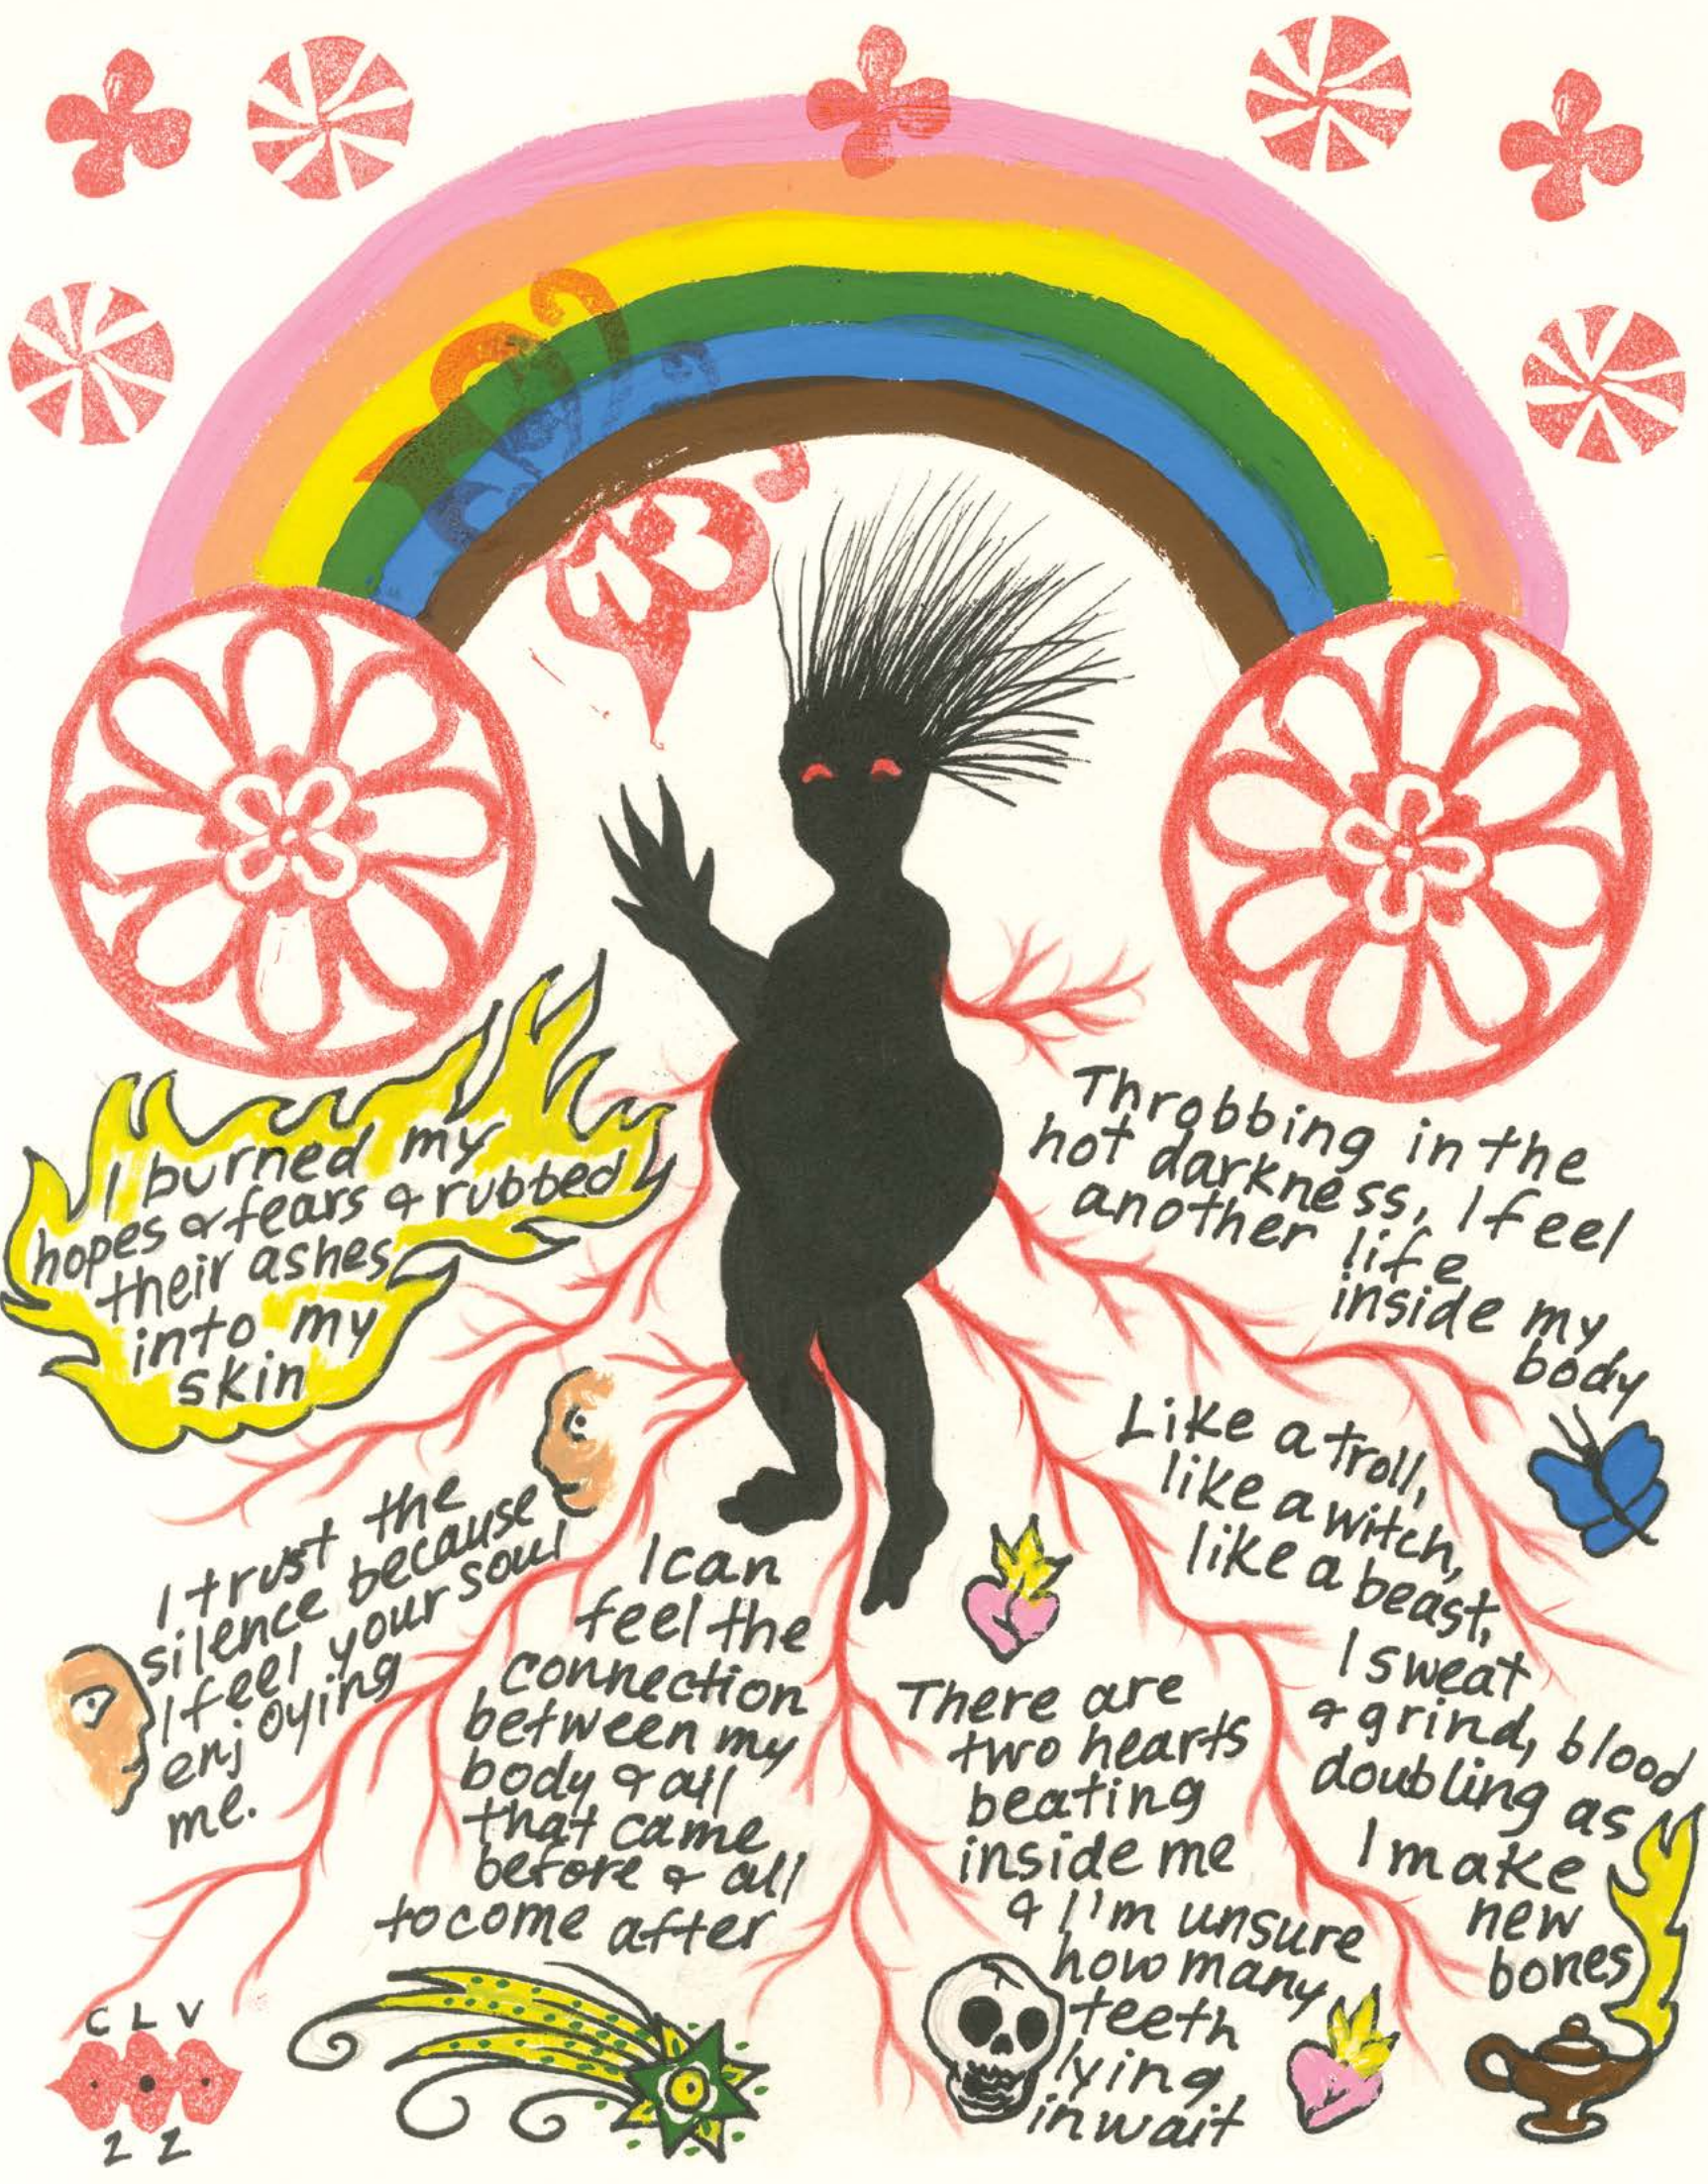

I KNOW YOU LOVE THIS TIME OF YEAR. NO MOWING THE LAWN FOR ME UNTIL I RECOVER MY STRENGTH (MERCIFUL DOCTORS...)

LET ME KNOW HOW YOU ARE, OLD FRIEND. IT'S BEEN A ROUGH YEAR, CONNECTING TO EVERYONE WAS A GOOD THING, THOUGH. SUCH A BOOST... EVERY DAY, I FEEL SO LUCKY, I COULD JUST CRY...

I burned my hopes & fears & rubbed their ashes into my skin

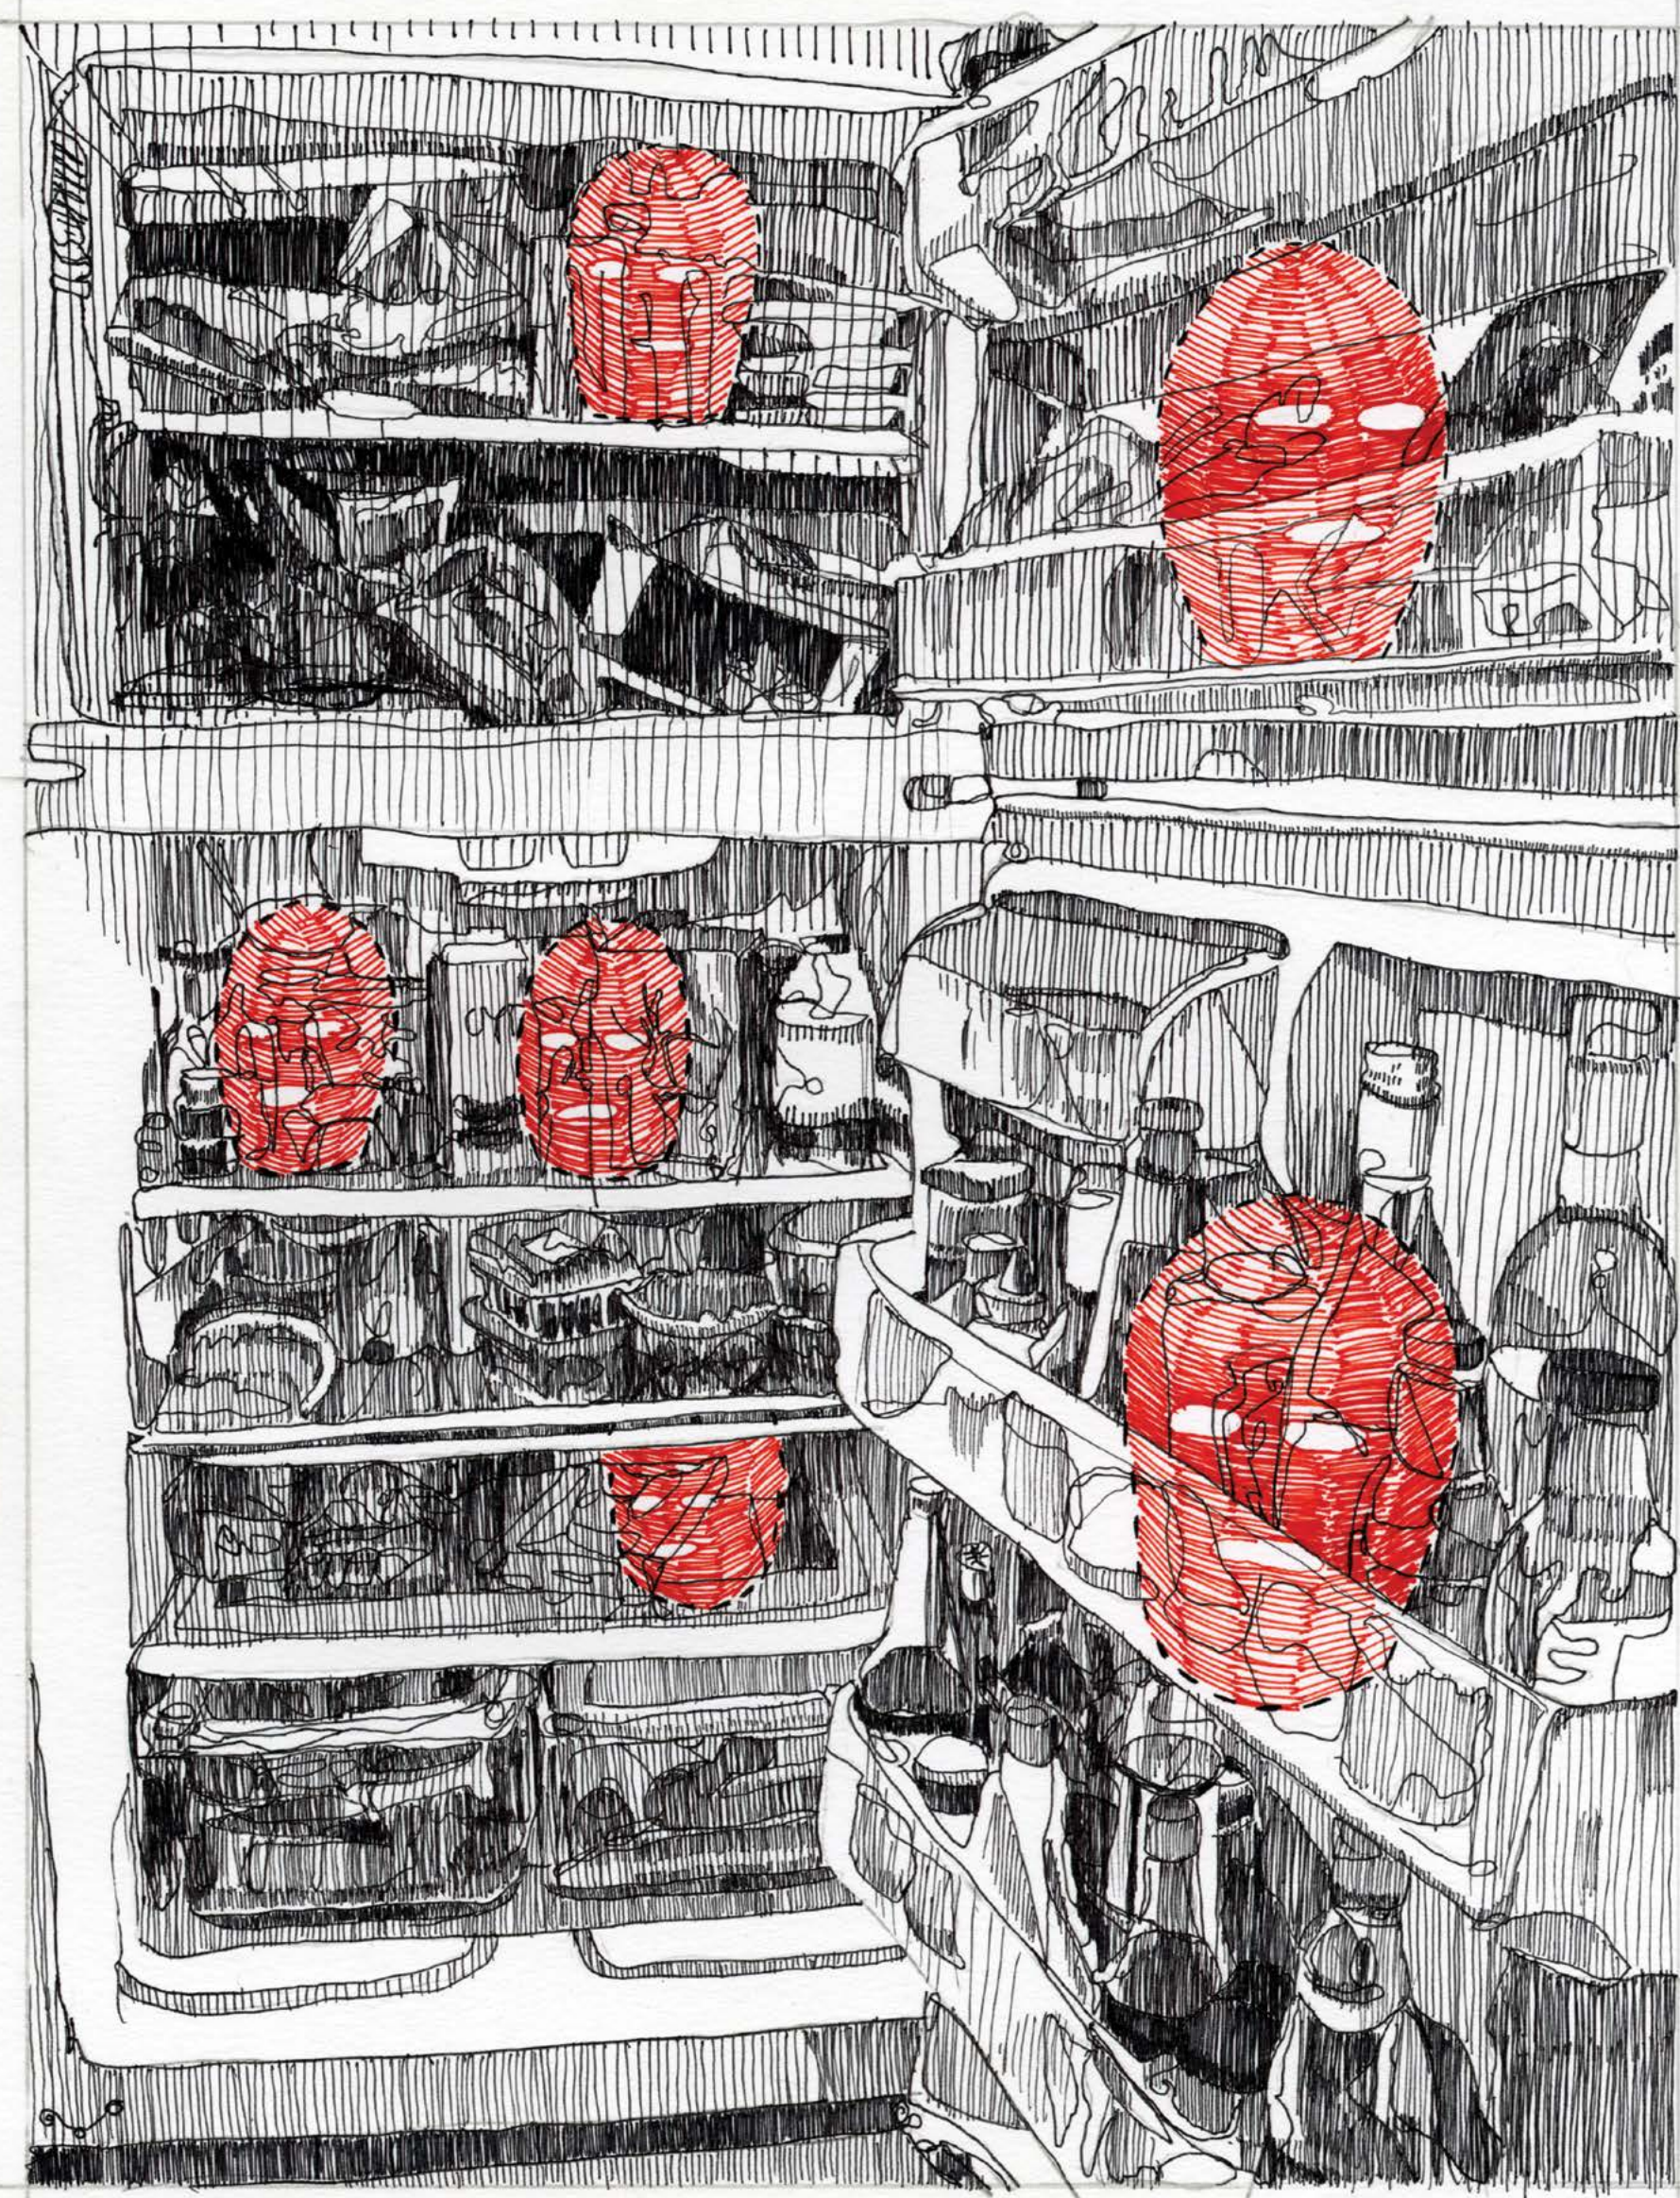

Throbbing in the hot darkness, I feel another life inside my body

Like a troll, like a witch, like a beast,

I sweat & grind, blood doubling as I make new bones
There are two hearts beating inside me & I'm unsure how many teeth lying in wait

I trust the silence because I feel your soul enjoying me.
I can feel the connection between my body & all that came before & all to come after

"Here's Your Problem"

Have there been women cult leaders? I wanted to know for an article I was asked to write. The short answer is, almost... not exactly... "heavily involved," "leadership roles."

However, there is Teal Swan (b. Mary Teal Bosworth, 1984.) She is a spirituality & mental health influencer. Teal claims to be part alien, and able to enter your brain stem to read your thoughts. ETC.

You'd mostly encounter her online through her videos. She's an SEO gangster—she makes sure she's a top hit for desperate searches.

Her childhood therapist played a role in the Satanic Panic of the 1980s, and there is a trend among people who heal with Teal in person, of uncovering repressed memories. To date, she hasn't faced legal investigation, but is on cult watch lists. See the recent documentary & podcast for more of the scoop.

Here are some of my sketches from the research, from her more harmless videos. The piece never ran—I was a Twitter sleuth and they needed journalism!

The anatomy of loneliness is composed of 3 pillars

separation, shame, fear

I have written a book

A book to solve this problem

I've called this book The Anatomy of Loneliness

I highly suggest that you pick up a copy of this book

WHY YOU HAVEN'T WON THE LOTTERY

Here's your problem

IF you're looking to the lottery to be your source of abundance

then you're not a match to the lottery

YOU WON'T BELIEVE THIS - THE MOST DANGEROUS THING IN THE WORLD

I was able to completely change how you saw something by telling you how to see it

I want this experience to haunt you for the rest of your life

Bc this is the only way you're going to stay safe

from filters

Shame

We withdraw from other people

In a state of oneness you can't be connected or disconnected

Every crime that has ever been committed has come about because the person

The Anatomy of Loneliness - Teal Swan
believed themselves to be disconnected from their victim

Slavery, Auschwitz, Pol Pot, terrorism

The only way to save your species on the planet

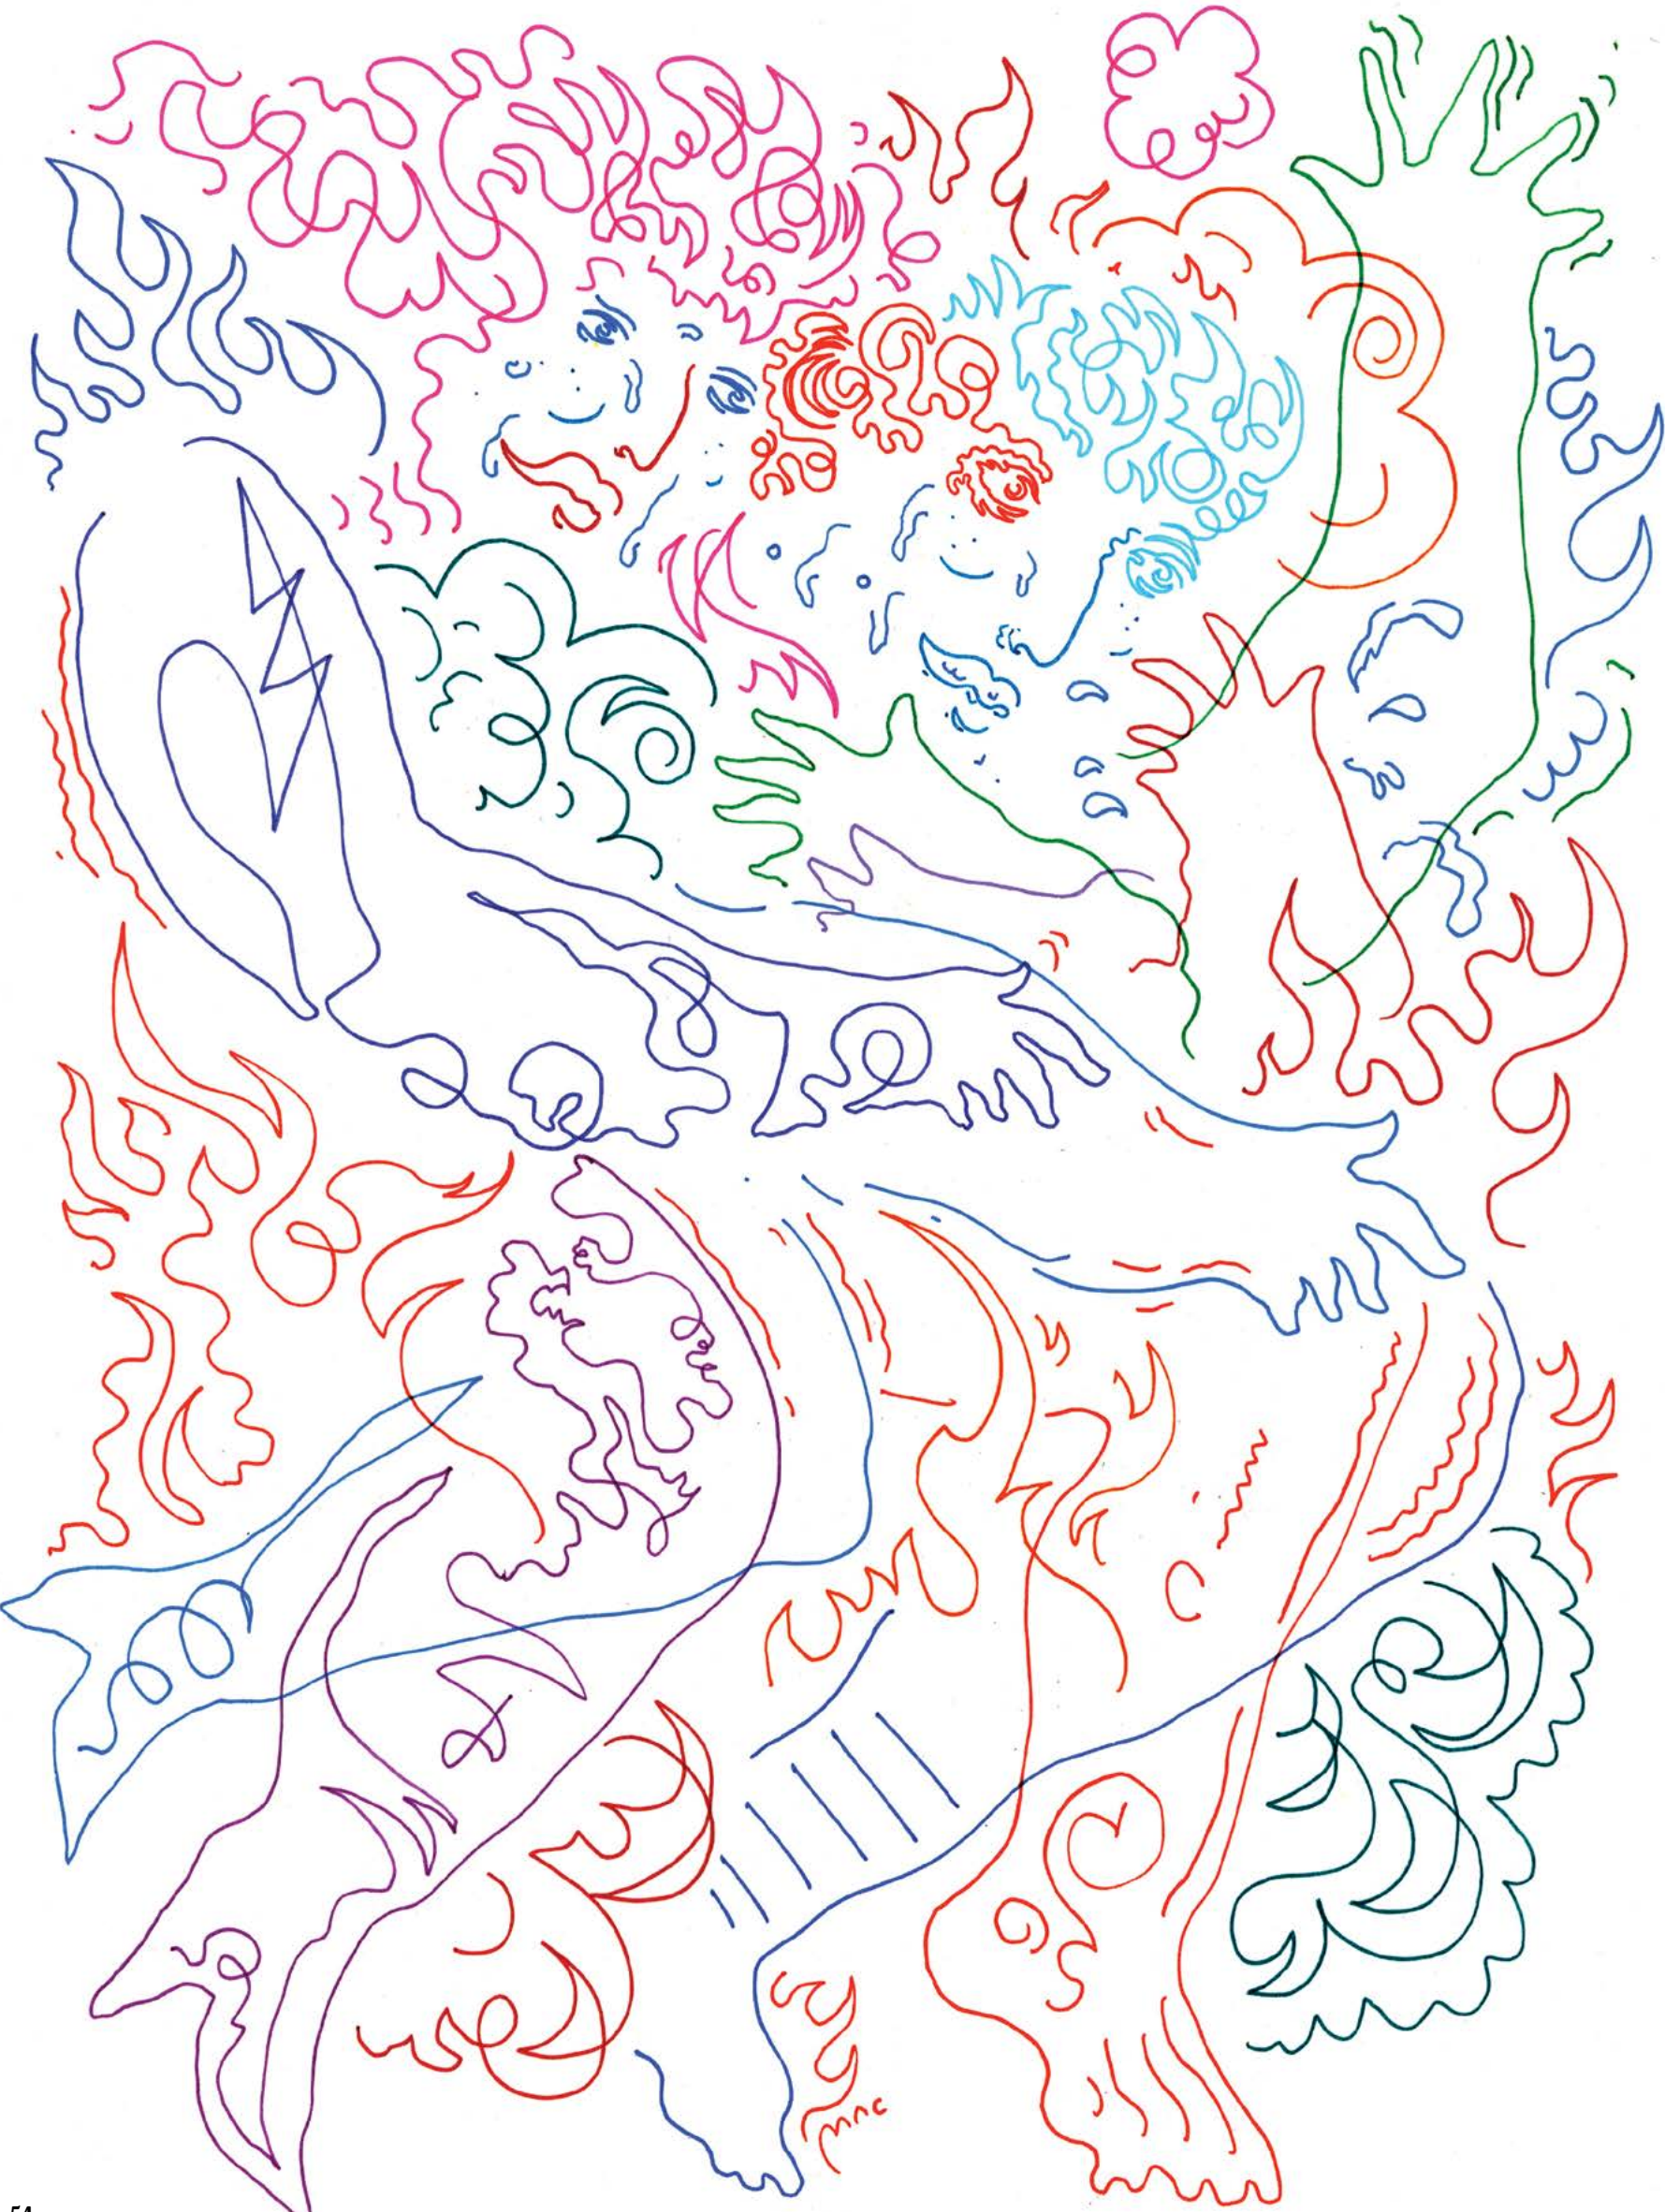

the only way to save the planet itself at this point

the only way to end human suffering

is to create a sense of connection

The Anatomy of Loneliness - Teal Swan
to end the sense of loneliness & isolation

And it begins with you ending it inside yourself.
Have a good week

I'VE ALWAYS WANTED TO BE HIT BY LIGHTNING HAVEN'T YOU? ONE READS OF SPONTANEOUS ACQUISITION OF NEW SKILL AS THE TWO HEMISPHERES OF MIND BECOME BLUNTLY FUSED

THEN ONE DAY, IT FINALLY HAPPENED AS MY BODY CRACKLED AND TORE AGAINST ITS POWER, I COULD FEEL MY NEURONS RAPIDLY REWIRING BEFORE LOSING CONSCIOUSNESS

DISTRACTED WHILE DISTRAUGHT, AGAIN I WAS CAUGHT BY A THUNDERSTRIKE - YOU'D THINK THAT IF AN ACT OF GOD HAPPENED ENOUGH, ONE WOULD HAVE SENSE TO STAY INSIDE.

AS I WATCHED THE POEM BURST INTO FLAME AT THE FIREBOLTS BLAST, I SENSED ALL MY NEWFOUND VERSE DISSIPATE, NOW REPLACED WITH A WHISTLE AUDIBLE ONLY TO CANINES

WHEN I AWOKE, WITH A BURNING TINGLE STILL SURGING THROUGH MY FORM, I WAS SUDDENLY INSPIRED TO COMPOSE, TO MY ESTIMATION, THE GREATEST POEM EVER WRITTEN

WHILE THERE'S PLEASURE IN MY NEW TALENT, I HAD HOPED FOR SOMETHING MORE USEFUL, LIKE BASKETBALL, OR WHISTLING

THE PIG, STUNNED BY STORM, FLED FROM EDGE OF TOWN TO THE OUTSIDE OF TOWN, THE DOG-CATCH, SO SHOCKED, ACCIDENTALLY RELEASES HIS FERAL PRISONERS

AS THE DOG-CATCHER CHASED AFTER HIS FLEEING FLEADAGS, ALL WERE SUDDENLY CAUGHT BY INDIVIDUAL BOLTS OF LIGHTNING THE DOGS ALL STARTED PLAYING BASKETBALL

I SHOWED IT TO THE LOCAL COUNTY DOG-CATCHER, WHO LIVED OUTSIDE OF TOWN, HE DIDN'T UNDERSTAND POEMS CAN'T CATCH DOGS

AT MY WITS END, I SHOWED IT TO THE PIG AT THE EDGE OF TOWN ALL I GOT OUT OF IT WAS "OINK"

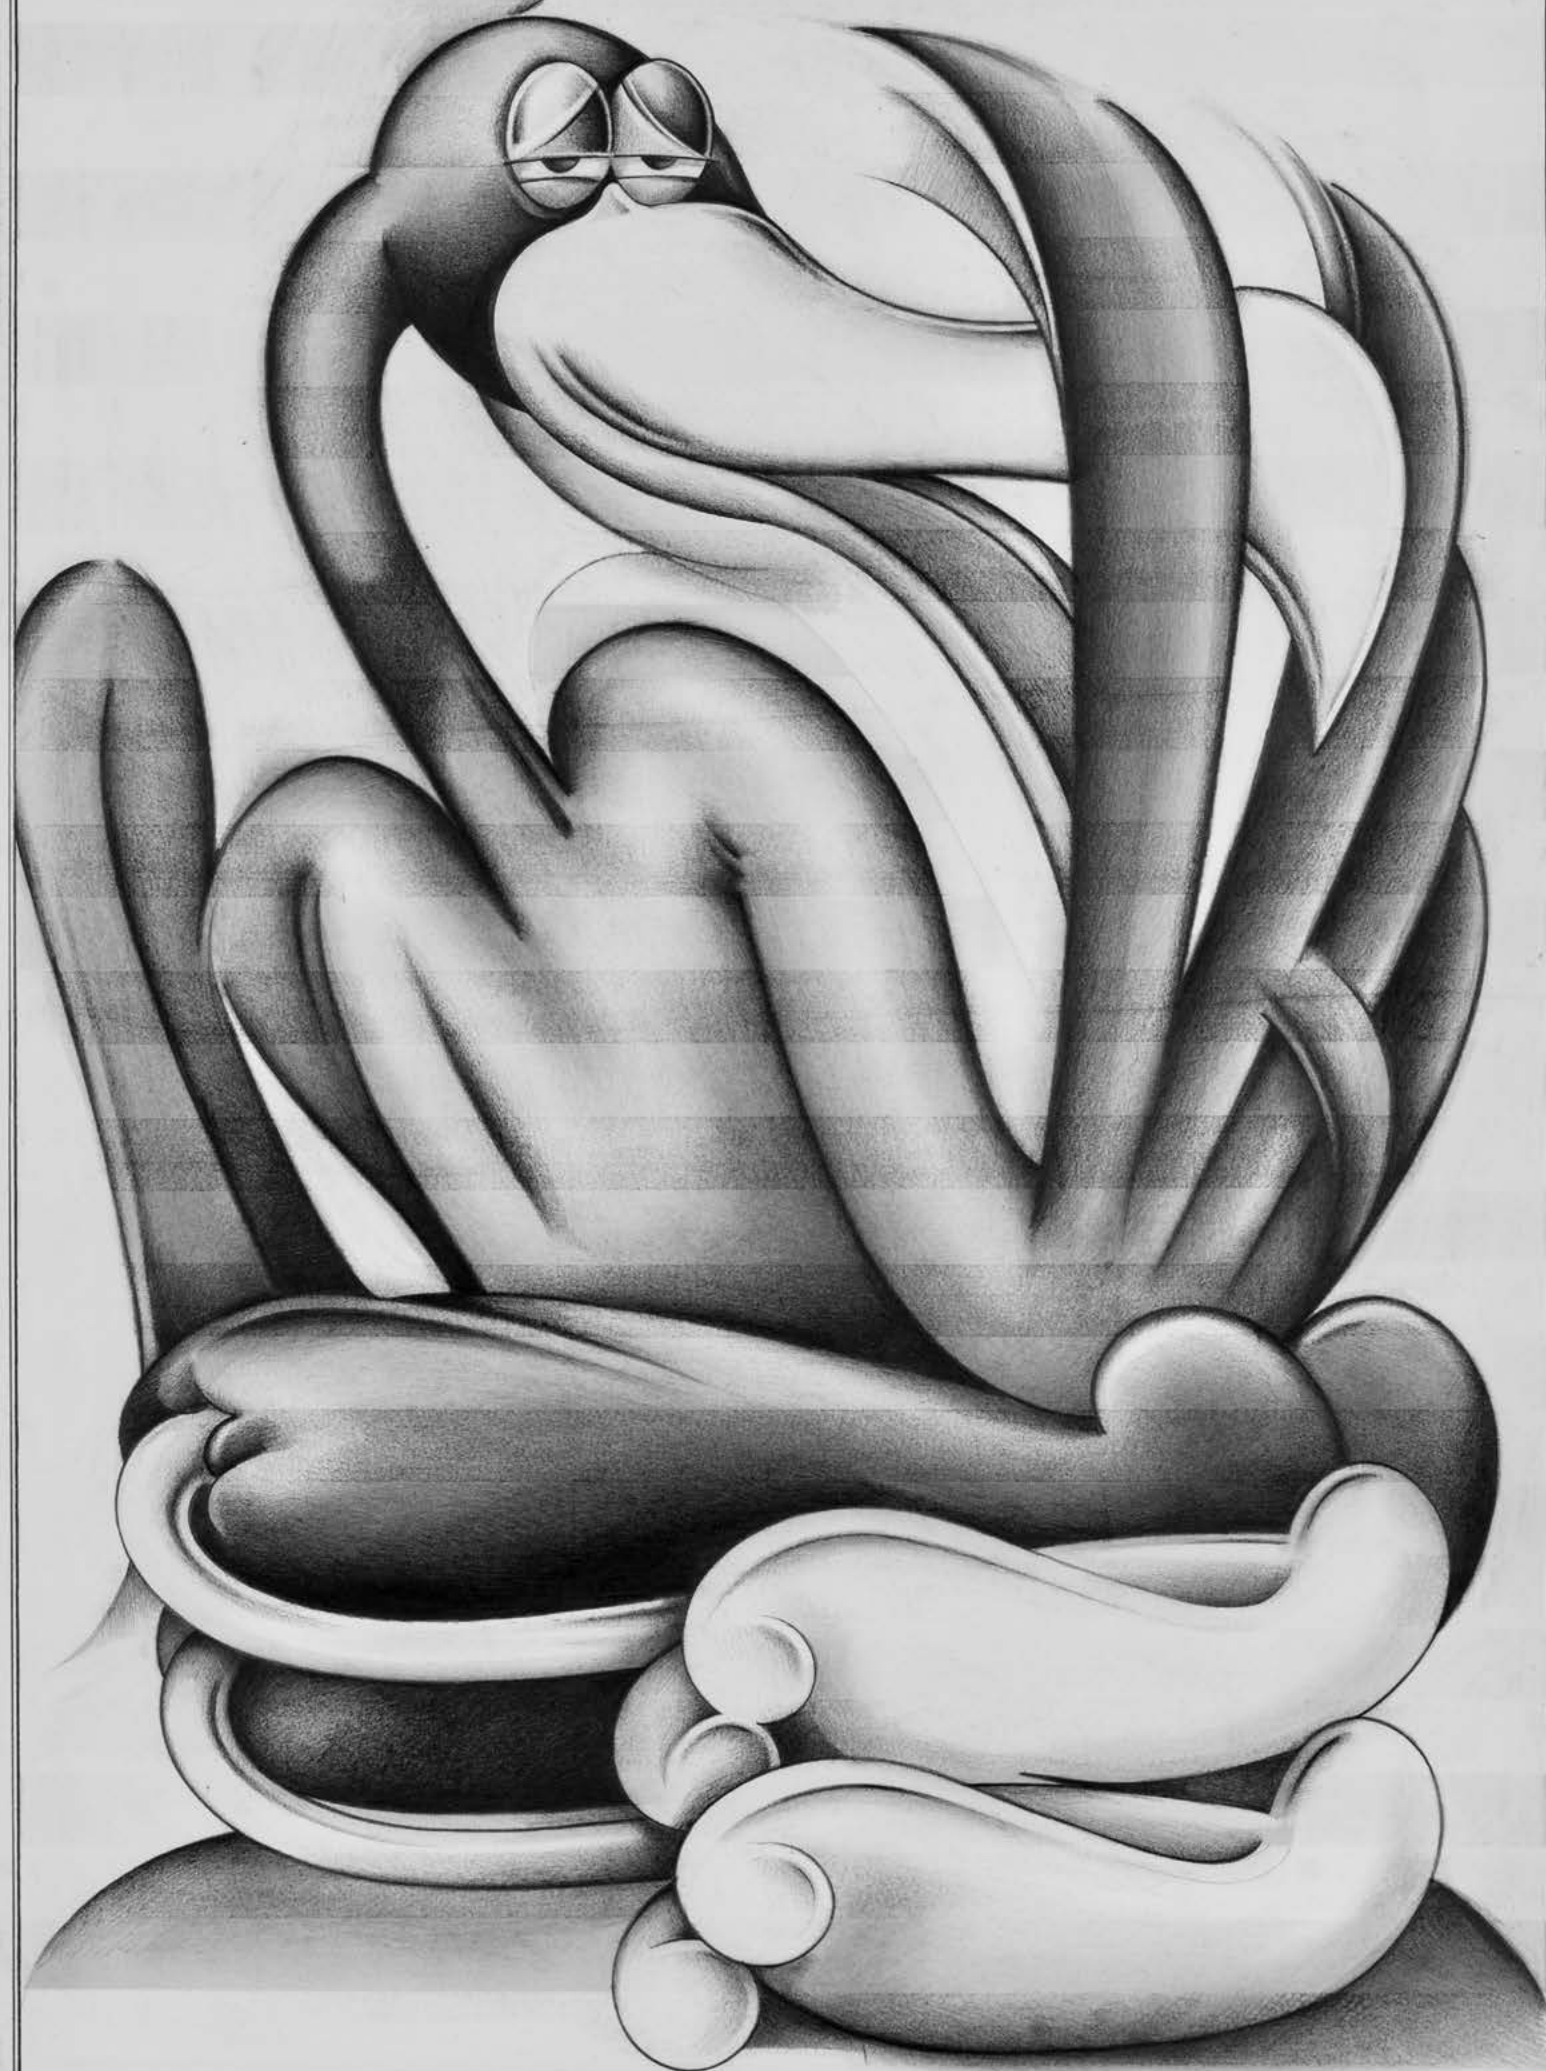

THE PIG, IN HORROR AT THE CHAOS IT HAS WROUGHT, SPEAKS ALOUD AND SAYS - "RHYMES FOR THE HOG, WAS IT A PRETTY PORK'S PECCADILLO OR PEARLS BEFORE SWINE?"

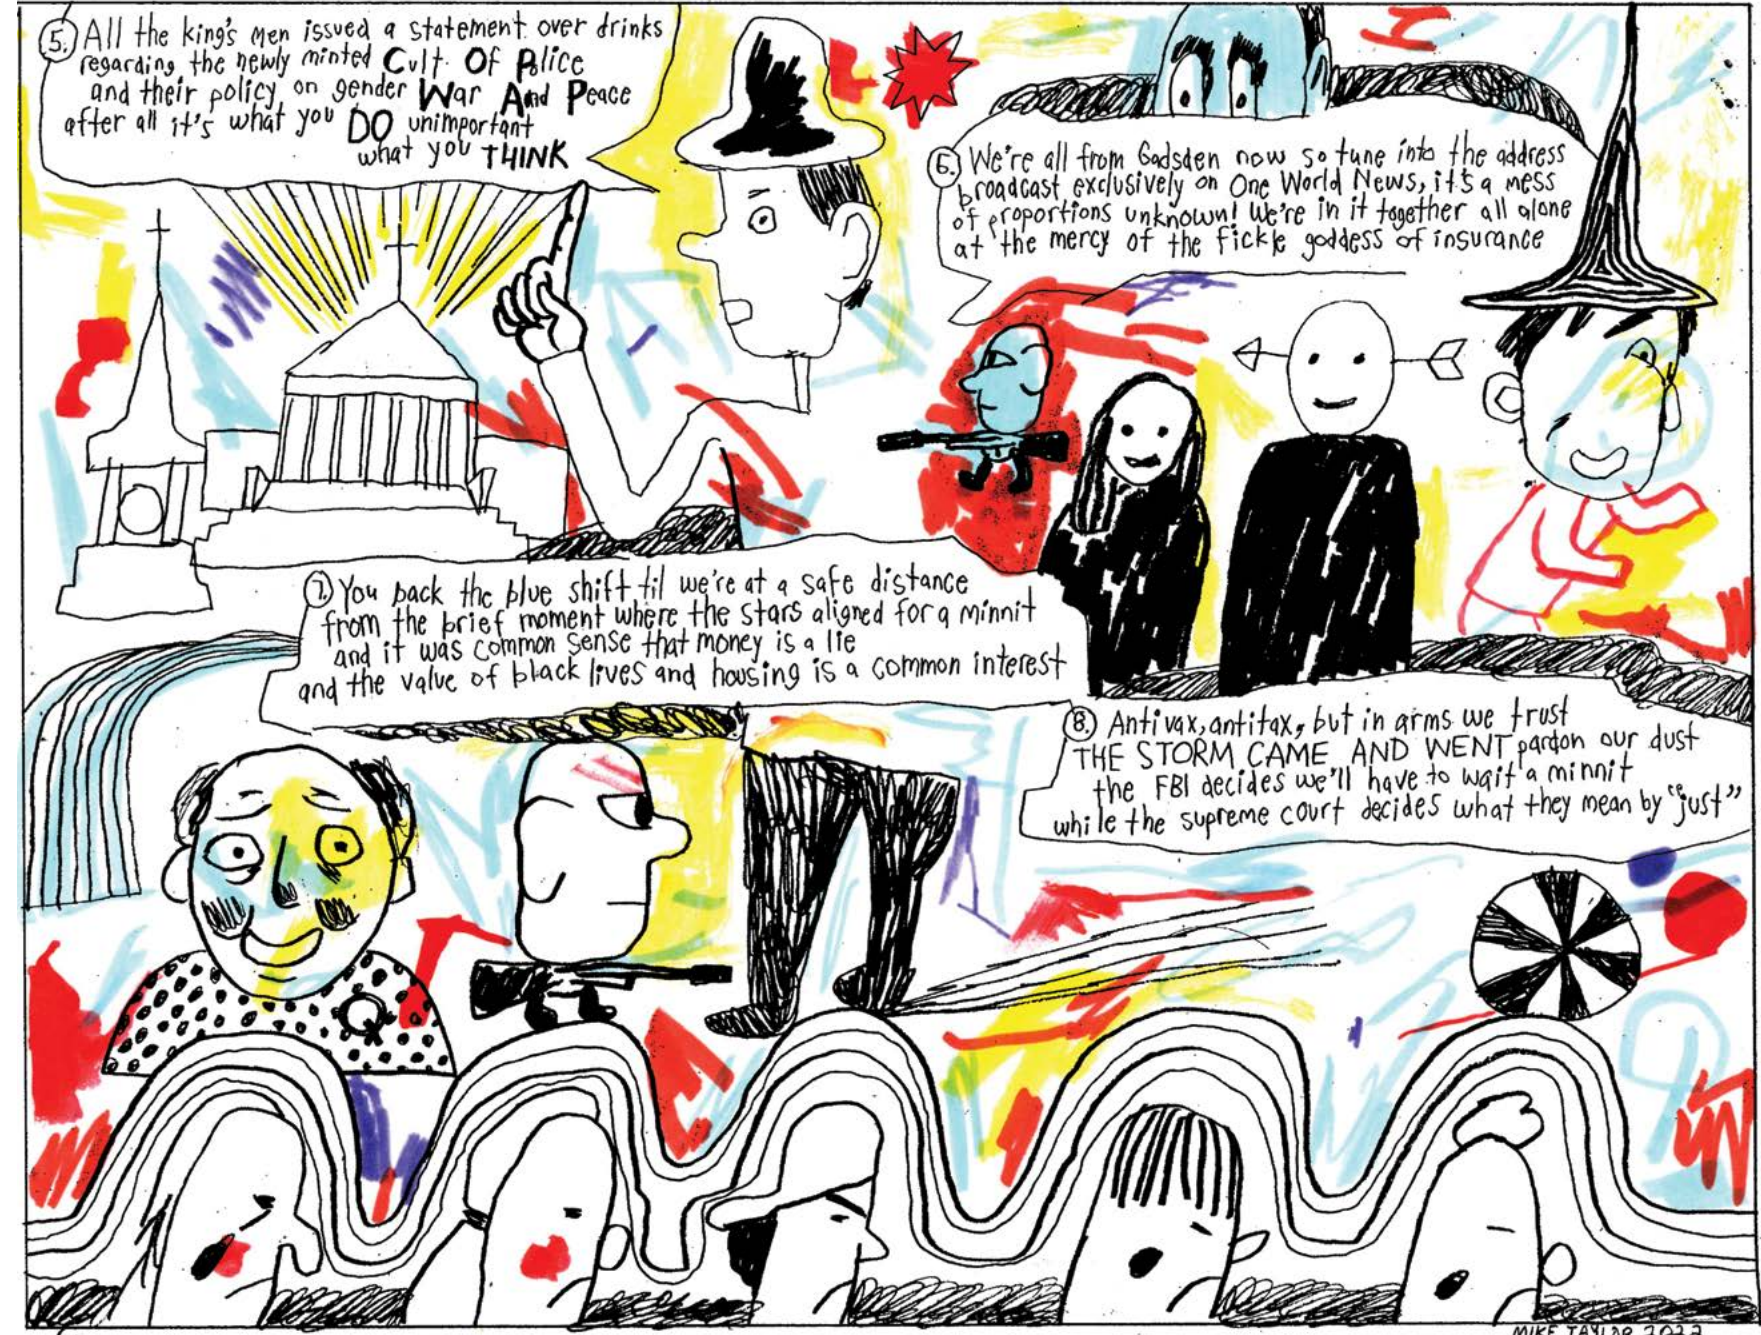

SO NOW I COACH THE DOGS BASKETBALL TEAM - THE DOG-CATCHER GOT FIRED, HE PUBLISHES HIS WELL-RECEIVED POETRY NOW. I HAVE TO SAY - I DON'T REALLY GET IT!

HAVEN'T GOT A LOT

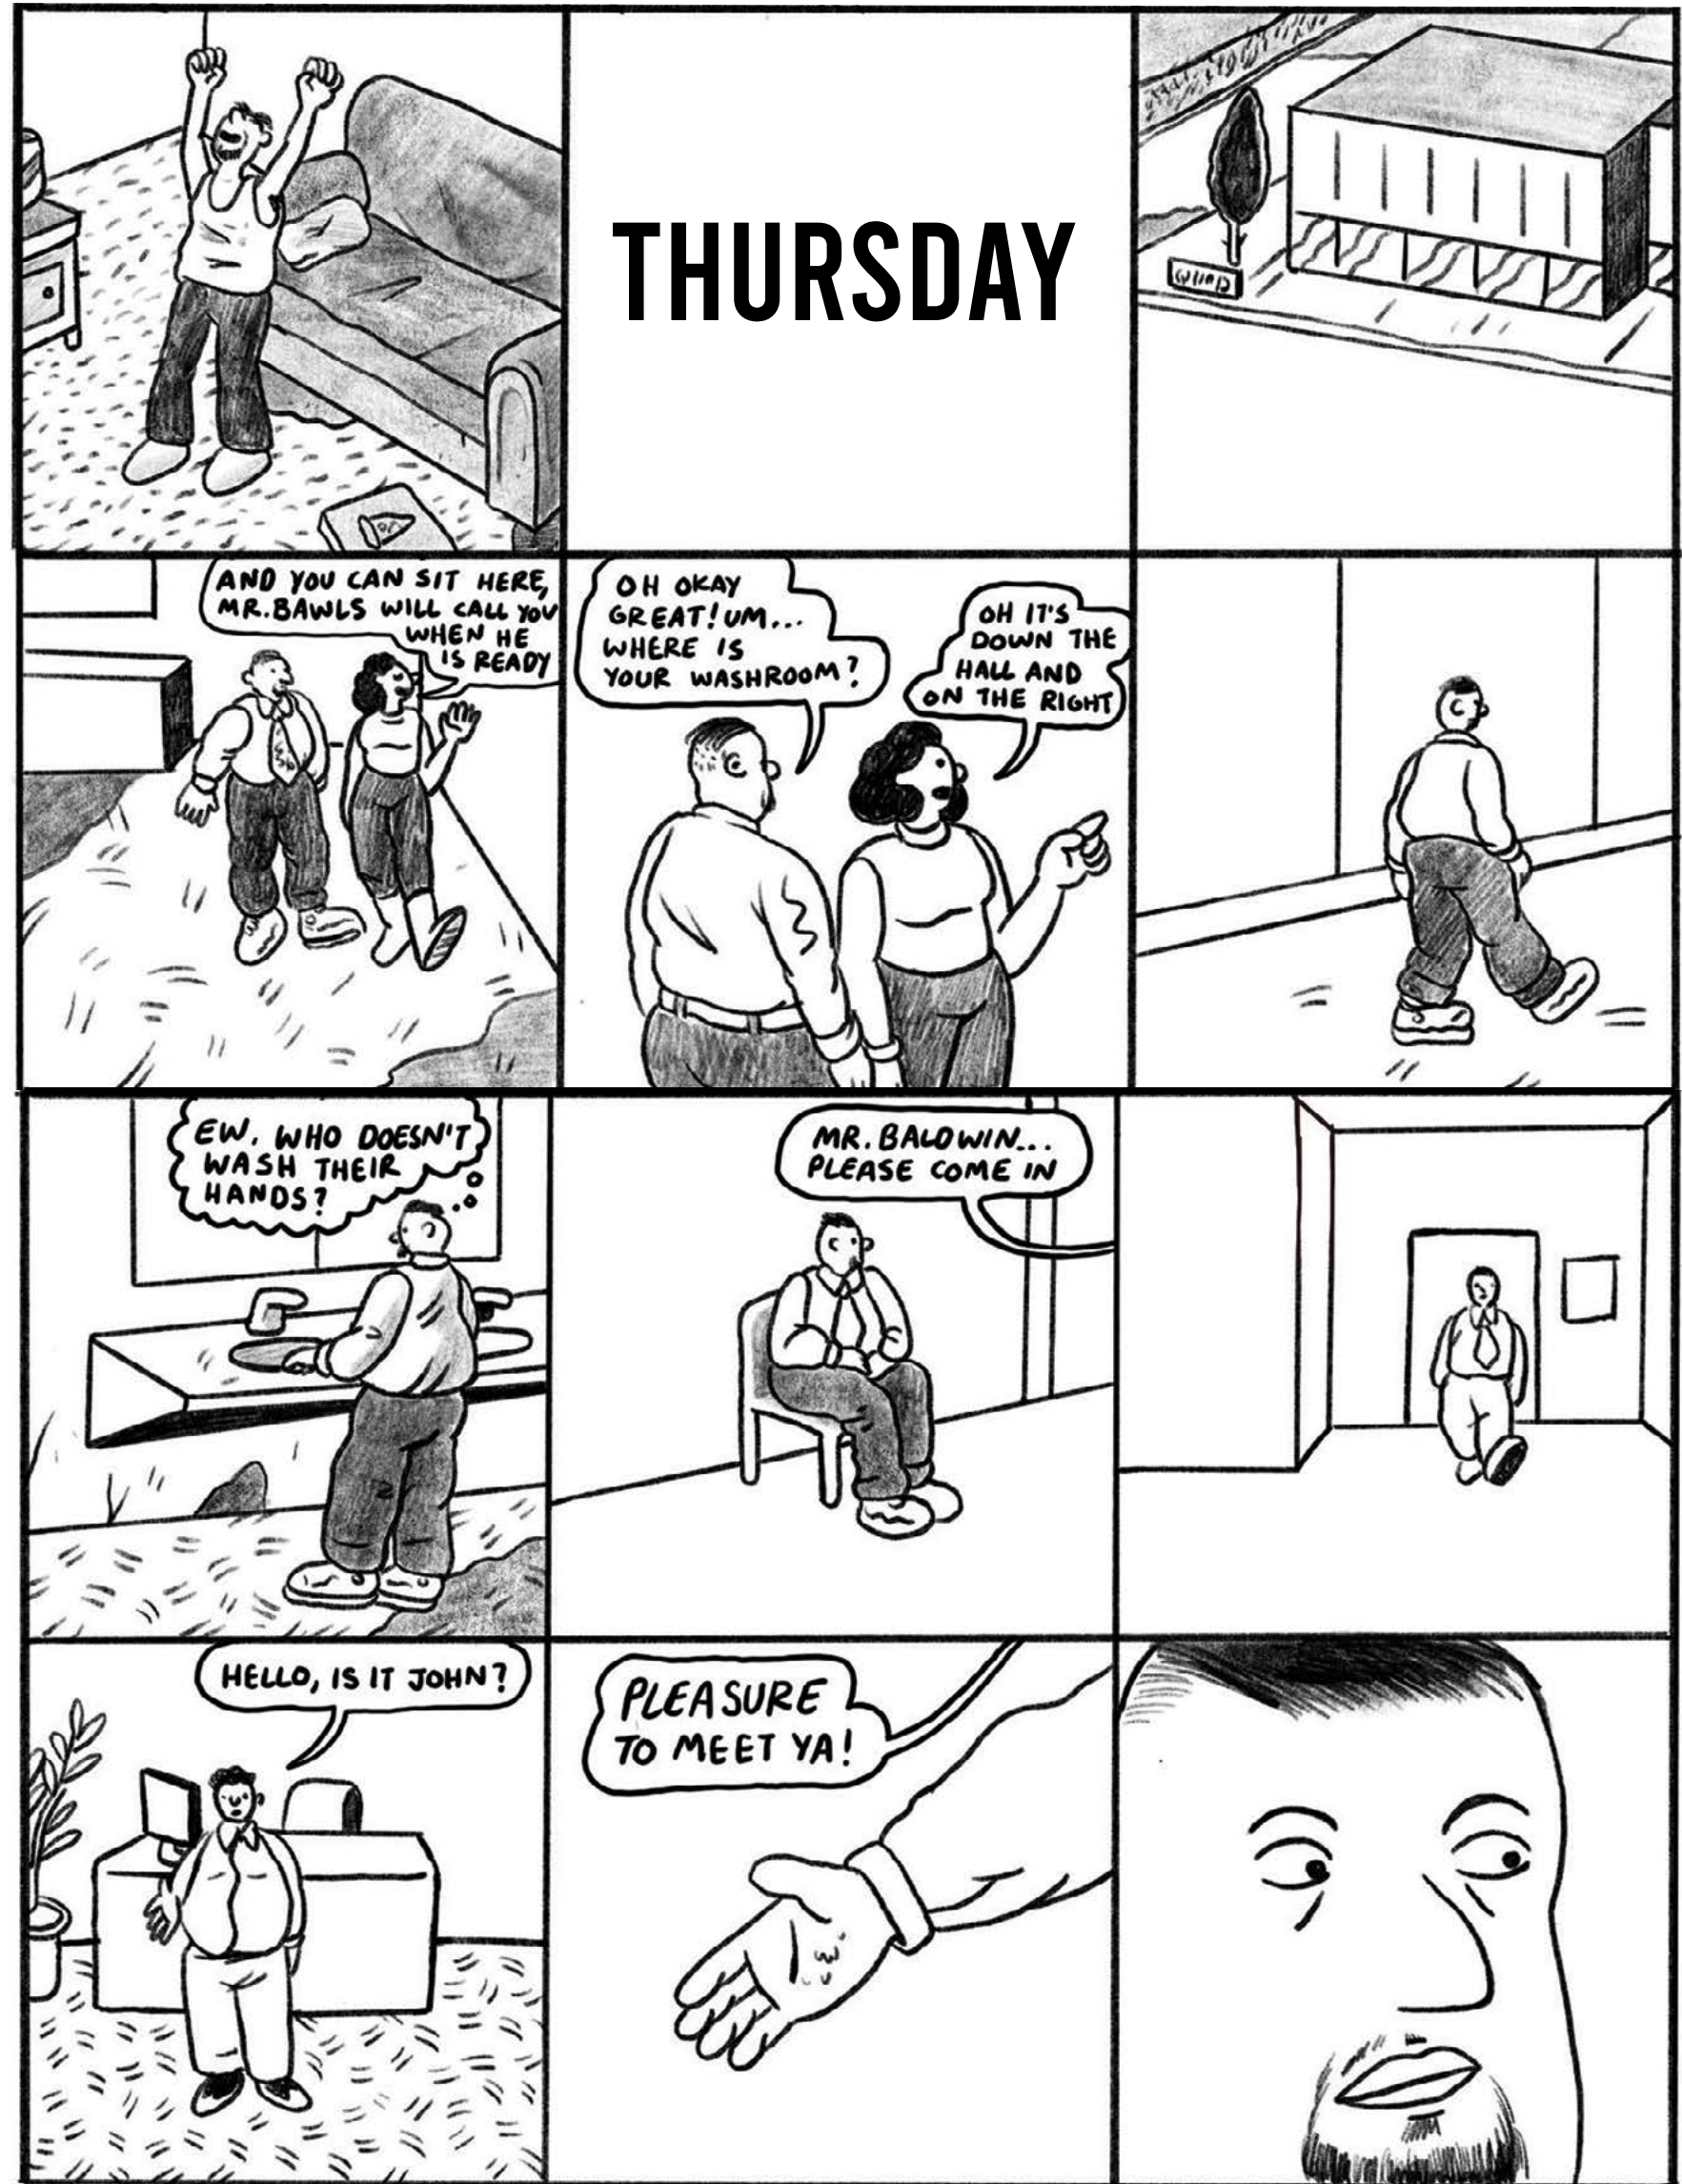

I DON'T NEED A LOT

The Community of the Future is a not so tongue-in-cheek reference to the burgeoning cultural scene in Bridgeport. Over the past few years a number of galleries, cultural spaces, restaurants and bars have quietly opened and are creating an enticing south side neighborhood to work, live and play in. Check it out yourself. Stop by ***Maria's Packaged Goods & Community Bar*** at 960 W 31st Street and ask your bartender for directions and tips on where to go.
